COLOUR ME OR CREATE YOUR OWN

DALÍ INSPIRED

PORTRAIT COMPETITION

Colour the Dalí-inspired portrait or create your own! Let yourself be inspired by the imaginative world of Surrealism. You can create a portrait of anyone, reinterpret a portrait of Salvador Dalí, or invent a completely original character. Think outside the box, experiment with unusual ideas, and have fun combining dreamlike objects, unexpected colours, and imaginative details.

Be creative, take risks, and enjoy the process.
